KEY: GOOD = ★★★★★
 FAIR = ★★★★
 POOR = ★★★
 BAD = ★
 ☞ = Patrolled beaches

WARNING Swimming is not recommended during heavy rain and for at least one day after because of pollution from stormwater drains.

Note: Information for ratings supplied by Bega Valley Shire Council and audited by the Department of Environment and Climate Change's *Beachwatch* program. Ratings are based on samplings of bacteria levels at beaches every sixth day. "Good" or "Fair" ratings indicate bacteria levels are generally safe for bathing according to National Health & Medical Research Council guidelines.
