

### 3. Councillor Workshops and Area Inspections

---

Proposing the conduct of quarterly councillor workshops to be held in the four main towns.

**General Manager**

#### **BACKGROUND**

During the Councillor Induction the opportunity for Councillors to inspect key projects around the shire and to enable opportunities for residents to discuss matters with Councillors was put forward.

10 It is suggested a schedule be prepared to hold a Councillor Workshop in each of the four towns of Bermagui, Bega, Merimbula and Eden during 2009. The morning session would involve a Question and Answer Session for members of that local community followed by the Councillor workshop. The afternoon could then be taken up with a site tour of the area of particular council works or projects.

#### **RECOMMENDATION**

That Councillor Workshops and area tours be held in accordance with following dates:

|                          |           |
|--------------------------|-----------|
| Tuesday 10 March 2009    | Eden      |
| Tuesday 2 June 2009      | Merimbula |
| Tuesday 25 August 2009   | Bega      |
| Tuesday 17 November 2009 | Bermagui  |
