Dear Sir

**NOMINATIONS TO BEMBOKA MEMORIAL HALL COMMITTEE**

At its meeting on 15 December 2008, the Committee received nominations to the Committee from:

**Stephen Joseph WOODS  
Peter JACKSON**

Our Committee members feel that these two nominees would contribute greatly to the management of Bemboka Memorial Hall and would make valuable members of the Committee.

As you are aware, finding community members who are enthusiastic and willing to serve on committees is an increasingly difficult task, and as several of our existing members are getting old (at least two are octogenarians) we do need some new and younger blood!

Enclosed are Volunteer Registration of Interest Forms.

Yours faithfully

**Berice Alcock  
Honorary Secretary**
