

## 4. Expenditure of funds from former Wolumla Area Committee

---

The former Wolumla Area Committee has requested that its remaining funds be used to assist the Pambula/Merimbula Lions Club to construct a shelter over the BBQ in the Wolumla Community Park.

**Group Manager, Community and Relationships**

### BACKGROUND

10 When all Area Committee were disbanded as of 31 December 2007, the Wolumla Committee had \$2,000 in its bank account. Whilst all Area Committees were asked at the time to return any unexpended funds, some committees requested that funds be used for certain projects.

Albeit a considerable time after its disbandment, former members of the Wolumla Area Committee who transferred to the current Wolumla Memorial Hall Committee have requested that the remaining balance of \$2,014.15 be used to assist the Pambula/Merimbula Lions Club to construct a BBQ shelter. At this time they would also close the bank account in the name of the Wolumla Area Committee and return financial documents to Council.

### ISSUES

#### Asset

20 The development of the Wolumla Community Park has been supported by Council over a number of years and the Asset Management section supports the use of the former Area Committees funds to assist the Pambula/Merimbula Lions Club to construct a BBQ shelter.

### RECOMMENDATION

1. That the remaining funds of the former Wolumla Area Committee (\$2,014.15) be used to assist the Pambula/Merimbula Lions Club to construct a BBQ shelter at the Wolumla Community Park.
2. That the account of the former Wolumla Area Committee be closed and financial documentation returned to Council.
