**PART 2 Works required and/or payment of contributions**

Under Section 306 of *Water Management Act 2000* the Water Authority may impose certain requirements before granting certificate of compliance, these include:

- a. to pay a specified amount to the water supply authority by way of contributions towards the cost of such water management works as are specified in the notice, being existing works or projected works, or both,
- b. to construct water management works to serve the development.

**PART 3 Granting Certificate of Compliance**

Under Chapter 6 Part 2 Division 5 Section 307 of *Water Management Act 2000*, Bega Valley Shire Council acting as the Water Supply Authority being satisfied that the requirements as indicated in correspondence relating to this application of this form have been complied. Council hereby grants to the Applicant a Certificate of Compliance with respect to the applicable application number but does not negate the requirement to carry out engineering/water/sewerage works specified in DA consent conditions and/or requirement to obtain a Section 68 Certificate under the *Local Government Act 1993*.

For further information regarding your proposed development, please contact Council's Engineering Development Department.
