Remove Standard Urban Fortnightly Waste Service

Add Weekly Red (Landfill) Holiday Accommodation Waste Service

This is a request to vary waste services by changing from a standard residential collection to a holiday accommodation service collection provided by Bega Valley Shire Council. This modified standard collection service for multi-unit holiday complexes is applied consistently to all units within the complex at the written request of the Strata Manager or equivalent. Charges for each service requested, will be applied to the Rates Notice for the relevant assessment. Current fees and charges can be located on Council's website www.begavalley.nsw.gov.au or by contacting Council on (02) 6499 2222.

Authorisation

- I am the property **owner** and request the additional waste services which I understand will reflect the relevant assessment charges on my Rates Notice; OR
- I am the property **manager** acting on behalf of the property owners. (Please note, a letter detailing the changes will be sent to each property owner)
