Dear Prospective Creditor

We ask that you support our efforts to process invoices efficiently by ensuring that the invoices you submit to Council comply with the following requirements:

1. **Submit all invoices electronically** by email to creditors@begavalley.nsw.gov.au . Invoices received via Australia Post create processing inefficiencies and may delay your payments.
2. Invoices **must** contain the following mandatory items :
 - a. Be addressed to the Bega Valley Shire Council. A list of business entities included under the BVSC ABN is provided at the end of this letter. All invoices for goods or services provided to these entities must be address to the Bega Valley Shire Council.
 - b. **Purchase Order Number.** It is essential that each of your invoices makes reference to Council's Purchase Order number which will be specific to the transaction being processed. The Purchase Order is your authority to provide goods or services to Council and is our way of confirming that your order has been approved and that funds are available for payment. An electronic copy of each Purchase Order will be emailed to you for your reference. The unique 6-digit number shown on each Purchase Order must be referenced on your invoice to ensure smooth payment.
 - c. **Name** of the individual (i.e. Council employee) who placed the order.
 - d. Your **registered business name** and **ABN**.
 - e. A unique **invoice number** and an **invoice date**.
 - f. **Short description** of the goods or services sold to Council and the date of the sale / date(s) works undertaken.
 - g. **Sale amount** with the following GST considerations :
 - i. If you are registered for GST, the words "**tax invoice**" must be included. The GST amount (if any) payable, can be shown separately or, if the GST amount is exactly one-eleventh of the total price, as a statement such as 'Total Price Includes GST'.
 - ii. If you are not registered for GST, do not include the words "tax invoice" and do not indicate that the invoiced amount includes GST.
 - h. With respect to invoices which may be automatically issued from your system after a transaction made with a Council purchase card, we ask that you confirm that payment has been received by stating so in the description and referencing "**P-CARD**" in lieu of a purchase order number.
