

Pool Safety Conversation

With more than 800 registered pool owners in the Shire, pool safety is a key issue for everyone as the weather warms up and school holidays approach.

There are a number of issues to keep in mind to make sure families enjoy their pools safely, including fencing, water quality and keeping a watchful eye on children at all times.

Find out more about pool safety, legislative requirements and pool water hygiene at Bega library on Thursday 10 December at 5.30pm until 6.30pm.

There are limited places and people are asked to register for the event via Eventbrite at www.begavalleyshirelibrary.eventbrite.com.au or phone Bega library on 6499 2127.

Council also offers a free domestic pool inspection service for residential pools anywhere in the Shire.

Contact Greg O'Donnell on 6499 2222 to book your inspection.
