Bermagui Pavillion update

Construction is going well with the structural frame now substantially complete and services being installed.

The works are progressing around the annual week long Far South Coast Kennel Club show currently underway at the grounds. The roof is scheduled to be put on next week with the building set for completion by Easter.

Dog and Cat controls

Bega Valley Shire residents with views on how Council can improve its control of dogs and cats can now have their say as part of a review of the animal control areas under the Companion Animal Management Plan.

The plan is being reviewed this year as part of a periodic review process and submissions are invited concerning all elements of the plan.

Submissions should be submitted by 5pm on 25 March 2015 by writing to Animal Control Areas Review, Bega Valley Shire Council, PO Box 492, BEGA NSW 2550 or by email to council@begavalley.nsw.gov.au

If you have any queries about the review phone Council on 6499 2222.
