Mayor's message

One of the highlights for me from 2016 was witnessing the work of volunteers across the Shire, in every town and village.

These people and organisations add a great dynamic to our community and certainly for me sit alongside our region's natural beauty as our greatest asset. It's incredibly inspiring watching so many people lending a hand irrespective of who they are helping. Thank you for what you add to our lives.

Add to this the thousands of local people who work without complaint throughout the festive season. These are the healthcare workers, hospitality workers, shop workers and community workers who keep our Shire ticking over when others are out enjoying a well-earned break. Thank you.

Please stay safe and enjoy a wonderful Christmas and New Year as part of a strong community in the midst of a stunning local environment.

Cr Kristy McBain - Mayor.
