Pools close for winter

The outdoor seasonal pools at Bega, Cobargo, Bemboka, Candelo and Eden are now closed for the season. Thank you to the community for continued support of your local pools. The indoor pool at the Sapphire Aquatic Centre in Pambula is open all year.

Airport tree removal

Two mature eucalypt trees will be removed from the Merimbula airport carpark this week. The trees present a risk to users of the carpark and a number of vehicles have been damaged by falling branches. These are the same trees due for removal in early March.

Bega welcomes Littleton

The Bega Valley Shire has welcomed its sister city friends from Littleton, Colorado, with a civic dinner at the new Bega Valley Commemorative Civic Centre.

About 90 people gathered last Thursday night to extend a relationship that goes back 55 years.

The Bega–Littleton sister city bond was the first to be established between Australia and the United States of America in 1961.

Council hosted the event along with the Bega-Littleton Citizens Exchange and in welcoming the Littleton delegation to the dinner, Mayor Michael Britten said that it is a relationship the Shire can be proud of and take strength from.

Gifts were given at the end of the night to mark the occasion and to confirm the friendship between Bega and Littleton.

The Bega – Littleton Citizens Exchange presented the delegation with a beautifully hand crafted clock in local timber, and Bega was given a lovely quilted wall hanging (pictured) with scenes from our sister city.
