

Please note, landscaping and softfall are shown illustration purposes only.
Please refer to Bega Valley Shire Council for confirmation on the final playground layout.

An aerial perspective rendering of a proposed playground. The central area is covered in brown wood chip softfall. To the left is a blue rubber safety mat with a swing set. A large, multi-colored (red, orange, yellow, green, blue) curved slide is the focal point. A complex climbing structure with multiple slides and platforms is to the right of the main slide. The playground is bordered by a black metal fence with orange plastic safety caps. Landscaping includes several trees and small shrubs. Benches are placed around the perimeter and within the play area. A paved path with grey and light brown sections winds through the playground. In the bottom left corner, there is a circular logo for 'MODUPLEY GROUP' featuring the Australian flag and the text 'MADE IN AUSTRALIA'.
